GENERAL INFORMATION

Universal fittings made of plain vibrated concrete with sharpened surface, which can be used as paving stones and as elements for wall construction. The elements are strong, frost-resistant, waterproof and impregnated against contamination.

The minimum shipping quantity is 1 piece. The goods are loaded on marked pallets BEST (30 kg) or BEST large (38 kg) according to the production capacity of individual plants.

During installation, it is important to follow the correct procedure according to the instructions for use (www.best.cz).
